

POLITICAL PARTIES COMMONWEALTH OF AUSTRALIA

In 1973 the Political Parties changed the *Commonwealth of Australian Constitution Act 1901* Definitions without a Referendum. Therefore creating their own Company "Commonwealth of Australia" which created it's own Australia Government; Parliament of Australia; Queen of Australia and Great Seal of Australia all outside the *Commonwealth of Australia Constitution Act 1901*. Then at the end of 1973 the Political Parties removed the words "of the Commonwealth" from all Commonwealth Acts. The Definition of Commonwealth, which is clear and unchallengeable, according to the express wording of the Preamble and the first six clauses of the *Commonwealth of Australia Constitution Act 1901*. By removing the words "of the Commonwealth" Political Parties Company Commonwealth of Australia has NO Preamble "WHEREAS the people" = No People.

NO Clauses; 1 Short title = therefore NO Title only Company Name

2 "Act to extend to the Queen's successors" = created their own Queen of Australia, their Statutory Instrument, NOT a living person.

3 "Proclamation of Commonwealth" = Only a Company with NO Authority.

4 "Commencement of Act" = No Act to Commence, only Company Registration date.

5 "Operation of the Constitution and laws" = NO constitution and NO Laws.

6 "Definitions *The Commonwealth* shall mean the Commonwealth of Australia as established under this Act." = The Political Parties Company Commonwealth of Australia is NOT established under the *Commonwealth of Australia Constitution Act 1901*.

The Political Parties Company Commonwealth of Australia is Registered in America. By creating their own Company they then created in 1974 their own Australian Money Counterfeit to the *Commonwealth of Australia Constitution Act 1901*. Therefore NOT worth the Plastic it's written on and doesn't lock the people of the true Commonwealth of Australia as under the Commonwealth of Australia Constitution Act 1901 to the Political Parties Multibillion Dollar Debt.
