

The Two Seeds of Genesis 3.15

INTRODUCTION

Prov. 16:4 The LORD hath made all *things* for himself: yea, even the wicked for the day of evil.

Gen. 3:14 And the LORD God said unto the serpent, Because thou hast done this, thou *art* cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: ¹⁵ And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

Many faithful Christian people have persevered in the search for truth throughout every generation of time. The truth is that two seed lines of people can be traced throughout the Bible history to the present time. We are now nearing the climax of the enmity spoken of in Genesis 315. Many are still in darkness. For those Christian people who are tired and weary of the fairy tales preached from the pulpits of the institutionalized church this discussion will be a breath of fresh air. For those truly seeking to unlock the mystery of our time in history, the study of Genesis 315 as presented will be priceless.

To the Christian remnant who resides in exile among the Western nations of the world. Are we not expected to hear and know the full council of God's word. We may wish to suppress, circumvent, or deny the reality of the two seeds of Genesis 315.

Road to truth.

For too long, theologians and pulpits have been silent about Genesis 315. Where this scripture has been addressed, it has been spiritualized. Many are the souls who have rendered Genesis 315 as pure nonsense by trying to spiritualize that which must be taken literally.

In the consequences of original sin, almighty God placed enmity or hatred and hostility between two distinct seed lines in the earth. The primary implication of the fall of Adam and Eve resulted in the birth and proliferation of two seed lines in direct conflict which each other on the earth. These are the seed of the serpent and the seed of the woman both literal aspects of sins entry into the world. The seed of the serpent is physical, literal, and represents a people embodied with their personality of Satan. Satan does have offspring in the earth.

The seed of the woman is that seed line of Abraham which Jesus Christ took on in the incarnation. Both seeds of Genesis 315 are literal.

Many insist that the woman see it is physical, real, and literal, but not so with the serpent seed. Ministers acknowledged that the word seed or zera in Genesis 315 means progeny or offspring and that it is a collective noun still they deny forthwith that the serpent in Genesis 315 could have a

literal seed. The seed of the woman can be literal but not the serpent. This is not a point of trivia in theology, but a watershed point in Bible exegesis.

Satan is the father of the serpent seed in Genesis 3:15. Jesus Christ, in his humanity, is the principle seed of the woman, the offspring of this seedline are many period by their very nature, the progeny of Satan are unresponsive to Salvation in Jesus Christ. The hatred they have for God and everything Christian is bred into their very existence. The hatred of Genesis 3:15 is locked into the very genes of Satan's seed. They cannot be changed. This offspring of Satan does what they do because they are very nature, being evil, can only produce evil period this evil tree does not, cannot, and will never produce good fruit.

Conversely, the seed of the woman or the offspring of Adam are corrupted in nature, afflicted with the malignity of sin, an inclined toward evil, but by the transforming work of God the Father in election, Jesus Christ in redemption, and the Holy Spirit in sanctification, they are made a new creation. The seed of the serpent cannot be saved. The seed of the woman, however can be saved by the redeeming blood of Jesus Christ.

Revelation 12 verse 17 confirms that the seed of the woman is plural.

Rev. 12:12 Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time. ¹³ And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man *child*. ¹⁴ And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent. ¹⁵ And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. ¹⁶ And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. ¹⁷ **And the dragon was wrath with the woman, and went to make war with the remnant of her seed**, which keep the commandments of God, and have the testimony of Jesus Christ.

The seed of the woman are those people to whom the promise was made as in Galatians 3:19 shows the human seed line which Jesus Christ took on in his incarnation is the seed of Adam kind specifically the seed of Abraham seed of the woman as in Hebrews 2 verse 16. Jesus Christ came to save this seedline. These people were the objects of the Father's love from the foundation of the world.

We may say that the world is divided between the left and right side of Genesis 3:15. Scripture provides no middle ground. You either stand with the children of light on the right side of Genesis 3:15, or in darkness with Satan and his children. There is no place for lukewarm Christians in the truth of God and Scripture. You are either for God and standing with Jesus Christ and his people, or

you are standing in the darkness of Satan's Kingdom. The age old conflict between the children of God and the offspring of Satan, between the Kingdom of light and the Kingdom of darkness.

The seed of the woman constitutes a physical, genetic race of people beginning with Adam and continuing in Seth (lists Genealogy through Methuselah)... in the post flood history of the Bible, the seed of the woman is carried forth in Noah, Shem, AFAIK, Eber, Isaac, Jacob, and the twelve sons of Jacob, and the tribes and nations descending from them that constitute the Celtic, Anglo, Saxon, Norman, Scandinavian, Germanic and kindred people of the earth. The seed of the serpent, on the other hand, is chronicled for us in Genesis chapter four with Cain and his descendants. As Satan seeks to counterfeit the seed of the woman, he names his children or offspring with names that appear in the chronology of Adam's kind creation. Scripture makes a careful distinction between the seed of the serpent and the seed of the woman. Failure to make this distinction can have major impact upon our understanding of the Bible.

Beginning with the murder of Abel, the Bible provides an in depth chronology of this age old conflict between the seed of the serpent and the seed of the woman, a conflict that does not end until the serpent or Satan is bruised beneath the feet of Jesus Christ at his second coming this is in Romans 16 verse 20. There is never been an armistice or truce in this warfare between the seed lines. Christians who have failed to discern between these opposing seed lines do so at the peril of their own lives and those of their children. We now approach the consummation of this age old warfare between the seed lines, the hostility of this warfare can be found in the newspapers, television programming, pulpits, public school classrooms, and everywhere that the battle for the mind of man is unfolding.

Satan and his offspring are seeking to capture the souls of all men and the real estate of this earth. However Satan, cannot prevail against the church or the called out ones of Jesus Christ. In the resurrection of Jesus Christ from the dead, Satan has been defeated. He and his offspring are defeated, for Christ has conquered death, hell, and the grave. Satan and his children have power only when ground is given over by the seed of the woman. At the consummation of history, Satan and his offspring will be driven into the abyss of eternal damnation. Matthew 25 verse 41 and Revelation 20 verse 10.

What happened in the garden of Eden? The fall of man required the death of Jesus Christ upon the cross. If we do not know what brought on the fall of Adam and Eve, how can we possibly understand the unfolding drama of the Bible?

In truth, a third party made his way into the garden of Eden. That third party was Satan, who appeared as an Angel of light, Second Corinthians 11 verse 14. Satan appeared as an Angel of light into the garden of Eden in the cunning of a serpent, he introduced Eve to the knowledge of evil or sin. That the serpent was indeed Satan is clearly confirmed in scripture: Revelation 12 verse 9 and Revelation 20 verse 2 period let the Bible interpret the Bible. As you discover the real truth about Genesis 3 verse 15 your world will be changed forever.

In our time of history, the seed of the woman is a surviving remnant. Satan and his offspring seek to wage an eternal warfare against the seat of the woman who keep the commandments of God and walk in the faith of Jesus Christ, revelation 12 verse 17. In every nation where the seed of the woman live in exile, God our father is calling forth a remnant of his people. In the election of God our father, not one of his children will be lossed. God will draw his children to Jesus Christ , John verse 6 verse 44 for Salvation. No one can pluck the children of God from the hand of the father . John 10 verse 28329. The sheep of Jesus Christ hear his voice and will not follow a stranger, John 10 verse 27. If you are one of his sheep, you are numbered with the seed of the woman. You need to know why you were born, what your purpose here on earth is, and what your ultimate destiny in God's plan will be.
